openSUSE.Asia Summit is

when cool (whether you smart or not smart :-P) people get together, talk and discuss about openSUSE and technology behind it, sharing the knowledge and experience, and have fun

openSUSE.Asia Summit is

openSUSE.Asia Summit is one great event for openSUSE Community (i.e., both contributors, and users) in Asia. Those who usually communicate online can get together from all over the world, talk face to face, and have fun. Members of the community will share their most recent knowledge, experiences, and learn FLOSS technologies surrounding openSUSE.
